NARRATIVE:

Anthony Guzman is a documented gang member and has an extensive adult criminal history that began at the age of 19. His convictions include multiple burglaries, felon in possession of a firearm, robbery, petty theft, violation of parole, vandalism, possession of marijuana, false reporting of a crime, trespassing, multiple vehicle thefts, false ID to a peace officer and multiple possession of controlled substances convictions. He has served multiple state prison terms, the longest being a 3 year term for robbery. Guzman was released from state prison to the supervision of the Los Angeles County Probation Department on September 27, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2014 after he absconded from post release community supervision (PRCS). Guzman qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
